## **BOOK SYNOPSIS**

PDR has been the premier reference on prescription drugs for 70 years. The highly respected, instantly recognized book is found in nearly every physicians office, clinic, hospital, pharmacy, and library. Completely updated every year, PDR provides critical, current information on the most commonly prescribed drugs in the U.S. Every full, FDA-approved drug label in PDR includes: - Dosages - Indications - Warnings and precautions - Side effects - Safety information such as contraindications, pregnancy ratings, and more - Interactions with other drugs, food, and alcohol - Clinical trials data - Time-sensitive email reports delivering news of important label changes, new FDA product approvals, and other health-related information Comprehensive indexing by a drugs brand and generic name, as well as by its manufacturer and therapeutic category, gives users multiple, easy ways to access the information they seek. PDR also includes a product identification guide with hundreds of full-color images of products.
