BOOK SYNOPSIS

Jenna McNally is tending to the heartrending task of clearing out her grandfathers cabin when shes knocked off her feet by the impact of a nearby plane crash. She races into the snowy North Carolina woods to help and discovers that this is no plane thats crashed. Rakurs people have been brought to the brink of extinction by war. After years spent searching for a compatible mate to bond with, an enemy attack lands him on a backward, primitive planet and right to the very female he has been seeking. And a Hir warriors first task in claiming a mate is to capture her . . .
