BOOK SYNOPSIS

New school. New friendships. New life. Not so much. Alexandra is pissed about her parents abandoning her. Shes beyond pissed that her friends did the same. Shes enraged because things are unclear about her brothers death now. So her first stop is at Jesses house to demand answers. She wants to know why her brother was friends with the criminal crowd before he died and she knows he holds the answers. But when she sees him, she doesnt get the answers she expected. Instead, she finds out that their chemistry never faded and soon heats up again! Some habits die hard. Soon Jesse and Alex are back to their ways of sneaking around. Hes a near-celebrity at school and she doesnt want to deal with the backlash of being his girlfriend. Alex is tired of being hurt so shes learned the lesson not to confide and lean on others. However, she cant seem to help herself when it comes to Jesse Hunt. The big question isnt if she will survive if their relationship goes public, its if she will survive when the real truths about her family and brother come out? Or when she learns that Jesse knows more than what hes told her?
