BOOK SYNOPSIS

The suspension and expulsion of ethnic minority students, especially African American males, remains a critical issue in schools today. This book addresses the root causes of racial disparity in discipline. Dr. Bireda shows how culturally conditioned beliefs and cultural misunderstanding negatively impact teacher-student relationships and interactions in the classroom. In addition, factors in the school climate that may precipitate and escalate disciplinary events are examined. Ultimately, *Cultures In Conflict* provides a framework which assists administrators and teachers in establishing a dialogue on issues related to race and culture, and provides a set of strategies for reducing disciplinary events and referrals.
