BOOK SYNOPSIS

If You're Serious About Your Career, Get the Most GRE Chemistry Practice on the Market Today! REA's NEW GRE Chemistry Test Prep with Practice Tests on CD Gets You into Grad School! Higher GRE scores mean better options! Scoring well on the GRE Chemistry Test doesn't just help you get into grad school, it helps move your career forward. So it's worth every minute of your valuable time to be knowledgeable, confident, and prepared to do your best. REA's new test prep will get you ready for the GRE Chemistry exam and on your way to grad school! Designed for students and professionals looking to advance their careers, our test prep gives you all the practice you need before exam day. The book includes five full-length practice tests based on the most recent GRE Chemistry exam. Each test contains every type of question that can be expected on the GRE so you can "practice for real" and boost your confidence before taking the exam. Two of the book's exams are featured on our TestWare® CD with the most powerful scoring and diagnostic tools available today. Automatic scoring and instant reports help you zero in on the topics and types of questions that give you trouble now, so you'll succeed when it counts! Our on-screen detailed explanations of answers help you identify your strengths and weaknesses. We don't just say which answers are right - we also explain why the other answer choices are incorrect - so you'll be prepared on test day! As an added bonus, a focused topic outline of must-know GRE Chemistry topics shows you exactly what subject areas are tested on the exam. Up-to-the-minute GRE test information and updates are also available at: www.rea.com/GRE If you're serious about your career and are ready to take on the GRE Chemistry test - get the most extensive practice on the market today!
