BOOK SYNOPSIS

FINALIST FOR THE PULITZER PRIZE | NAMED ONE OF THE TEN BEST FICTION BOOKS OF THE YEAR BY TIME AND ONE OF THE BEST BOOKS OF THE YEAR BY BookPage • BuzzFeed • Chicago Tribune • Kirkus Reviews • NPR • San Francisco Chronicle • Slate • Toronto Star • The Washington Post She has been hailed by Michael Chabon as “the most darkly playful voice in American fiction” and by Neil Gaiman as “a national treasure.” Now Kelly Link’s eagerly awaited new collection—her first for adult readers in a decade—proves indelibly that this bewitchingly original writer is among the finest we have. Link has won an ardent following for her ability, with each new short story, to take readers deeply into an unforgettable, brilliantly constructed fictional universe. The nine exquisite examples in this collection show her in full command of her formidable powers. In “The Summer People,” a young girl in rural North Carolina serves as uneasy caretaker to the mysterious, never-quite-glimpsed visitors who inhabit the cottage behind her house. In “I Can See Right Through You,” a middle-aged movie star makes a disturbing trip to the Florida swamp where his former on- and off-screen love interest is shooting a ghost-hunting reality show. In “The New Boyfriend,” a suburban slumber party takes an unusual turn, and a teenage friendship is tested, when the spoiled birthday girl opens her big present: a life-size animated doll. Hurricanes, astronauts, evil twins, bootleggers, Ouija boards, iguanas, The Wizard of Oz, superheroes, the Pyramids . . . These are just some of the talismans of an imagination as capacious and as full of wonder as that of any writer today. But as fantastical as these stories can be, they are always grounded by sly humor and an innate generosity of feeling for the frailty—and the hidden strengths—of human beings. In *Get in Trouble*, this one-of-a-kind talent expands the boundaries of what short fiction can do. Praise for *Get in Trouble* “Ridiculously brilliant . . . These stories make you laugh while staring into the void.”—The Boston Globe “When it comes to literary magic, Link is the real deal: clever, surprising, affecting, fluid and funny.”—San Francisco Chronicle “With every tale [Link] conjures a different universe, each more captivating than the last. . . . You’ll long to return the minute you leave. [Grade:] A.”—Entertainment Weekly “Marvelous . . . As a writer Kelly Link is possessed of many magical powers, but to me what’s most notable about [Get in Trouble] is its astonishing freedom.”—Meg Wolitzer, NPR “Sensational . . . Remain in your narrative comfort zone, or venture into Link’s uncharted sea of troubles. Come on. Live a little.”—O: The Oprah Magazine “This is art that re-enchants the world. Who needs tediously believable situations, O. Henry endings or even truthfulness to life? Give us magic; give us wonder.”—The Washington Post “The stories here are effective because we believe them—not just their situations but also their hearts.”—Los Angeles Times “A zero-gravity vacation in a dust jacket.”—Chicago Tribune From the Hardcover edition.

GET IN TROUBLE STORIES - Are you looking for Ebook Get In Trouble Stories? You will be glad to know that right now Get In Trouble Stories is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. Get In Trouble Stories may not make exciting reading, but Applied Numerical Methods With Matlab Solution Manual 3rd Edition is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with Get In Trouble Stories and many other ebooks. We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with Get In Trouble Stories. To get started finding Get In Trouble Stories, you are right to find our website which has a comprehensive collection of manuals listed.
