BOOK SYNOPSIS

Sadie Robertson—star of A&E’s Duck Dynasty and Dancing with the Stars and darling of the third-generation of the Robertson family—shares a devotional book for young women and teen girls to help navigate their complicated, fun, stressful lives and apply powerful biblical principles to everyday life. Eighteen-year-old Sadie Robertson understands what it’s like to be a teenager and young woman in today’s demanding world. She has managed to “live original” and still uphold her family values and faith convictions. In her new devotional, Sadie shares the principles and values that guide her life, shows how she stays confident and encouraged, and offers helpful advice about living with purpose. This year-long devotional is perfect for today’s teenage girls and young women. Each week has five devotional offerings to choose from, as well as two days “off” to give you some flexibility. Whether you need a personal message from Sadie, a quick Scripture to remember, or space to journal, this devotional allows you to customize and select what you need each day. Sadie covers a wide range of topics including self-confidence, social media, bullying, dating, peer pressure, and more. It’s not always easy to live in today’s culture and hold onto your values and beliefs, but this devotional encourages you to stay positive and live a fulfilling life.
