BOOK SYNOPSIS

WORLD POLITICS: TREND AND TRANSFORMATION offers analysis of the most up-to-date data, research, and contemporary events from today's international political stage. You'll understand what is happening today and why. The 2016-2017 Edition incorporates recent challenges to global peace and prosperity, and the latest on international organizations, advances in military technology, a look at the changing nuclear environment in Iran, an expanded discussion on human rights, an enhanced discussion of global health threats, new data from World Development Indicators, and more. A partnership with the Carnegie Council for Ethics in International Affairs provides additional coverage of contemporary issues. The authors present each issue in a thought-provoking way that encourages readers to critically assess the problems, payoffs, pitfalls, and paradoxes of people's choices about the global future and the probable impact of those choices. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
